

The diagram illustrates a book cover layout with three main sections. On the left, a vertical grey rectangle represents the 'Einstecklaschen' (inserts), which is described as 'Fläche gestaltbar, aber nicht sichtbar' (designable area, but not visible). This area is bounded by a solid black line on the left and a dashed red line on the right. In the center, the text 'Cover sichtbar: B x H: 273,5 x 135 mm' indicates the visible cover's dimensions. On the right, another vertical grey rectangle represents another set of 'Einstecklaschen', also described as 'Fläche gestaltbar, aber nicht sichtbar'. This area is bounded by a dashed red line on the left and a solid black line on the right. The entire layout is framed by a thin black border.
